ASSEMBLY BILL

No. 27

Introduced by Assembly Member Medina
(Principal coauthor: Senator Roth)
(Coauthor: Assembly Member Linder)

December 3, 2012

An act to amend Section 4003.5 of the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 27, as amended, Medina. Vehicles: registration: one-trip permits. Existing law prohibits a person from driving any motor vehicle, trailer, or semitrailer unless it is registered and the appropriate fees have been paid to the Department of Motor Vehicles (DMV), or it is registered under the permanent trailer identification program, except as specified. Existing law requires the DMV to issue a one-trip permit to a vehicle manufacturer or dealer, upon payment of a \$35 fee, which authorizes an unregistered trailer, semitrailer, or auxiliary dolly to be moved or operated laden within the state for not more than 5 days as part of one

continuous trip from the place of manufacture, dispatch, or entry into this state to a place where the vehicle will be offered for sale.

This bill would extend the period in which these vehicles may operate under a permit to ~~30~~ 10 days.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 4003.5 of the Vehicle Code is amended
2 to read:
3 4003.5. (a) Upon payment of the fee specified in Section
4 9258.5, the department shall issue to a manufacturer or dealer a
5 one-trip permit authorizing a new trailer, semitrailer, or auxiliary
6 dolly that has never been registered in any state, or a used trailer,
7 semitrailer, or auxiliary dolly that is not currently registered, to be
8 moved or operated laden within, entering, or leaving this state for
9 not more than ~~30~~ 10 days as part of one continuous trip from the
10 place of manufacture for a new vehicle, or from the place of
11 dispatch or entry into this state for a used vehicle, to a place where
12 the vehicle will be offered for sale.
13 (b) Any permit issued pursuant to this section authorizes the
14 operation of a single trailer, semitrailer, or auxiliary dolly, and the
15 permit shall identify the trailer, semitrailer, or auxiliary dolly
16 authorized by make, model, and vehicle identification number.
17 The permit shall include the name and license number of the
18 manufacturer from whom the new vehicle is sent, or the name and
19 license number of the dealer from whom the used vehicle is sent,
20 the name and address of the person or business receiving the load,
21 a description of the load being carried, and the name and license
22 number of the dealer who will be offering the trailer, semitrailer,
23 or auxiliary dolly for sale. Each permit shall be completed prior
24 to operation of the trailer or semitrailer or auxiliary dolly on a
25 highway. The permit shall be carried on the trailer, semitrailer, or
26 auxiliary dolly to which it applies in an appropriate receptacle
27 inaccessible from the inside of the cab and shall be readily available
28 for inspection by a peace officer. Each permit is valid at the time
29 of inspection by a peace officer only if it has been completed as
30 required by the department and has been placed in the appropriate
31 receptacle as required by this section. The manufacturer or dealer

1 issued the permit may allow a third party to move or operate the
2 vehicle.

3 (c) The privilege of securing and displaying a permit authorized
4 pursuant to this section shall not be extended to a manufacturer,
5 carrier, or dealer located in a jurisdiction with which the state does
6 not have vehicle licensing reciprocity.

7 (d) The privilege of securing and displaying a permit authorized
8 pursuant to this section shall not be granted more than once without
9 the sale and registration of the trailer, semitrailer, or auxiliary
10 dolly.
